665.00 OP

921848 v1

Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number.

3. Terminal disclaimer with disclaimer fee

- ☒ Since this utility/plant application was filed on or after June 8, 1995, no terminal disclaimer is required.
☐ A terminal disclaimer (and disclaimer fee (37 CFR 1.20(d)) of \$ _____ for a small entity or \$ _____ for other than a small entity) disclaiming the required period of time is enclosed herewith (see PTO/SB/63).

4. STATEMENT: The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional (**SEE ATTACHED**). [NOTE: The United States Patent and Trademark Office may require additional information if there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137(b) was unintentional (MPEP 711.03(c), subsections (III)(C) and (D)).]

WARNING: Information on this form may become public. Credit card information should not be included on this form. Provide credit card information and authorization on PTO-2038.

Examiner: Richard A. SCHNIZER

**STATEMENT OF UNINTENTIONAL DELAY IN REPLY BY APPLICANT UNDER 37
CFR 1.137 (b)**

Mail Stop _____
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

On April 13, 2005 it came to our attention that the above mentioned application went abandoned due to applicant's failure to timely file a proper reply to the communication issued by the USPTO on September 17, 2004 ("Office Action"). I attest that the entire delay in filing said response was unintentional.

On June 22, 2004, a Withdrawal as Attorney and Change of Correspondence Address and the associated transmittal papers were submitted to the USPTO in which the mailing address of Morgan & Finnegan, L.L.P. was stated as the address to which all future correspondence regarding application number 09/910,432 be sent. As noted by the USPTO's public PAIR system, the papers were received on June 24, 2004 (*see* Exhibit 1, attached as an Appendix). Nevertheless, the Office Action issued on September 17, 2004 was sent to the address of the withdrawn attorney at Townsend & Townsend, L.L.P (*see* Exhibit 2, attached as an Appendix). We were not informed that an Office letter had been sent, and as a result we were not able to timely file a reply to the letter. On April 13, 2005, we received a voice message from

Examiner Richard Schnizer, who noted that no response had been filed within 6 months of the Office letter, and that the Office letter had been erroneously sent to the previous firm.

Accordingly, the abandonment of this application was unintentional and results from an error on the part of the USPTO. Applicants respectfully request the revival of this application.

AUTHORIZATION

The Commissioner is hereby authorized to charge any additional fees which may be required for consideration of this Amendment to Deposit Account No. 13-4500, Order No. 4649-4006US1. A DUPLICATE OF THIS DOCUMENT IS ATTACHED.

In the event that an extension of time is required, or which may be required in addition to that requested in a petition for an extension of time, the Commissioner is requested to grant a petition for that extension of time which is required to make this response timely and is hereby authorized to charge any fee for such an extension of time or credit any overpayment for an extension of time to Deposit Account No. 13-4500, Order No. 4649-4006US1. A DUPLICATE OF THIS DOCUMENT IS ATTACHED.

Respectfully submitted,
MORGAN & FINNEGAN, L.L.P.

REPLY TO OFFICE COMMUNICATION PURSUANT TO 37 C.F.R. §1.137(B)

Mail Stop
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This paper responds to an Office Communication issued on September 17, 2004 for the above-referenced case. This paper is being submitted as a reply pursuant to 37 C.F.R. §1.137(b) and accompanies a *Petition for Revival of an Application for Patent Abandoned Unintentionally*, which is filed concurrently herewith.

In the Office Communication of September 17, 2004, the Examiner requested Applicants to select one of the four following branching groups:

1. $G_{n1}R_{n2}$ with $n1$ = an integer from about 0 to about 20, and $n2$ = an odd integer from about 5 – 25.
2. $G_p-RGRDDRRQRRR-G_q$
3. $G_p-YGRKKRRQRRR-G_q$, wherein the subscripts p and q are independently an integer of from 0 to 20, and

4. Any positively charged fragment of HIV TAT that is not listed in 1, 2, or 3 above, wherein each non-identical fragment represents a patentably distinct positively charged branching group.

In response, Applicants elect the species corresponding to number 2 (i.e., the positively charged branching group corresponding to Gp-RGRDDRRQRRR-Gq). Applicants respectfully assert that this election is fully responsive to the Office Communication of September 17, 2004. Accordingly, revival of this application is respectfully requested.

CONCLUSION

Based on the foregoing amendments and remarks, Applicants respectfully request reconsideration and withdrawal of the rejection of claims and allowance of this application.

AUTHORIZATION

The Commissioner is hereby authorized to charge any additional fees which may be required for consideration of this reply to Deposit Account No. 13-4500, Order No. 4649-4006US1. A DUPLICATE OF THIS DOCUMENT IS ATTACHED.

Respectfully submitted,
